What clients have to say

"Everything about your talk was inspiring, raw, honest, and approachable. You helped connect bridges and challenge ourselves to get unstuck so we can live the lives we want and be who we want to become. Thank you so much Jenn DeWall! You are the epitome of resilience, class, and sass!"

Matthis Pluska, Meta

We received almost immediate feedback that our employees LOVED her energy and the safe space she brought to our session. If you need a speaker that can engage, interact, and bring joy to something we all hide in the dark from, I would definitely recommend Jenn."

Yvonne Guerrero, Techspert

I highly recommend Jenn if you are looking for a relatable, memorable speaker who is also a pleasure to work with!
